Will You Make It Into My Schedule Before Your Parties, Guests & Family Arrive?

I know it's hard to believe but a long time ago... I wasn't a carpet cleaner. And I had the chore of hiring a carpet cleaner before our holiday guests arrived. And unfortunately being the procrastinating type... **I waited until a week before the big party to start calling around. Not only was I faced with the task of trying to wade through several names and numbers of carpet cleaners in the yellow pages, I also couldn't find anyone good who had a time slot available. But instead of admit defeat I hired "Cheap Carpet Cleaning" because they were the only ones available, (maybe that should have tipped me off).** They did a "cheap job" alright, leaving me with over-wet carpets that seemed to re-soil faster than ever. In fact, two months later my carpets were dirtier than they had been before I called them out!
Of course I never want you to have an experience like this, so I'm giving you a "heads up" now.

"Secrets For Living A Healthy, Wealthy & Happy Life..."

Ron Mizera – Mizera’s Steamway 283-3229 • 262-5491 • 235-7244

Hunger Does Not Discriminate!

Here at Mizera’s Steamway, we would like to join the battle against hunger, poverty and homelessness in our community one non-perishable food item at a time.

Every year, the Food Bank touches more than 20% of Kenai Peninsula’s 53,000 residents, a diverse population that is spread out over an area about the size of West Virginia! The government has set a relative level based on total income received yearly. For a family of four that level, also known as the ‘poverty line’, sets at just \$22,350 each year! 10.3% of the Kenai Peninsula population is living at or below that line (kpfoodbank.org). Between the ages of 25 & 75 each American will spend *at least* one year of their lives below their household’s line of poverty!

Let’s not forget that hunger and poverty are not the only growing detrimental obstacles our country faces every day. In the year 2008, Alaska ranked 10th of the 50 states in concentration of homeless people. That accounts to 0.24% of Alaska’s population estimated to be homeless. Help can start with one contribution!

For Every Item You Donate We Will Match It 100%!

There are 2 ways you can give back to your community this season.

1. Leave your contribution for our technician at your carpet cleaning.
2. Stop by our shop off Kalifornsky Beach Road on Kalgin Drive.
(We are next to the Albatross. If lost, do not hesitate to call!)
